'6' - Checking out...

The end of high-school life is edging closer and closer for the students of GAC '6'. Almost completed GAC assessments, and final Thai examinations are in just two weeks time. They are all now well prepared for their big transition to the next stage of their young lives - university - knowing that they have the skills required to be very successful in higher education.

Saksilpa, Ginn, Pongsak, Natthakrit, Natchapa and Yoshiyuki: pictures from the recent Christmas plays and the Sports Carnival - faces of enjoyment, fun and concentration. The efforts that the students have shown in all their school activities over the years, is testament to their positive attitudes.

'9' - Checking in...

Over forty students from Y.9 sat the latest GAC Entry Test on Saturday 21st January. There were many very good results, with some of the students scoring a perfect 100% on sections of the paper. Well done to them all.
