## “Mother’s Day”

Always a moving, and, often emotional day - the Secondary Mother’s Day Ceremony was held on Thursday 10th August. There were lots of mums present for the ceremony, and there were great speeches from students. Pictured right is Miss Rinrada Bekanan (10A) who gave an outstanding speech for both her mother and her grandmother. Well done to all students who were part of the celebration.

## “TED-Ed Club”

Next month - September - Ektra students have the chance to join our first TED-Ed Club. This club will support students in sharing their big ideas in the form of short, TED-style talks. Students will get to critically think about and discuss ideas, they can connect with other clubs around the world, and, join a global movement committed to spreading youth ideas.

This club will be overseen by the GAC DoS, Mr. Phil Langley, and there will be two groups: one group from GAC, run by Mr. Ben Hanks and one group from Extra & Bilingual classes, run by Mr. Sunny Singh. Interested?

Students, please see any of the staff listed above, check the flyers posted around the campus, or, go to the GAC office for more information.
