## “Freshy Day”

Each year the students of Y.12 prepare some interesting and entertaining activities to welcome the Y.7 students to Lower Secondary and the Y.10 students to Upper Secondary. Wednesday 5th July was 'Freshy Day'.

Maturada and Petch (above) from Y.12C busy with activities, and Jirasuta and Rinrada from 10B - both looking as though they are having fun.

This was a good break from regular classes for all of the students.

## Wai Kru Day

Thursday 22nd June saw the Secondary Department Wai Kru Ceremony in the auditorium. The students had prepared beautiful floral offerings and garlands for their teachers.

Pictured right from 12A are Pairaya, Chanyanuch, Thorntan, Yasikarn and Natthanich. Many students and ex-students went to see their teachers and gave them flowers, and they all received special words of encouragement in return.
