“Community Service Camp”

The students of Y.11 recently returned from their stint as volunteers in the north of Thailand (Chiang-Mai). While there they helped with teaching the students, they helped re-decorate school buildings, and they helped in the distribution items to the students. Below left shows some students from Y.11B prior to departure from the railway station, and then below right shows them teaching one of the classes.

“November Visitors”

November 7th & 8th saw Mr. Andrew Todd & Ms. Ros Washington both here at Ektra to meet with the teachers and the students, and observe all classes in action (left Ms. Ros in Y.12A/B Business class).

Then on the 10th & 11th some students were helping out on the Act booth at the OCSC Education Expo at Siam Paragon—using their very good English skills (right Mr. Andrew and Utaiwan from Y.10A).

Then on 22nd Ms. Na Murphy was in Thailand from the University of Southern Oregon to give all the GAC students information about studying in the USA (on the left is Ms. Na and Natchanan and Kanvara from Y.10A) both students had lots of questions.
