Subject: Invitation to join an Open House Activity at the Primary Department, Soi 20.

Dear Parents,

The school would like to thank parents' trust in school's teaching and learning system, especially at the kindergarten level; which aims to develop students holistically together with a sound knowledge base. School instills a love of learning through activities that focus on listening, speaking, reading and spending most of their time with the foreign teachers. Moreover, our school encourages students to develop their own abilities and skills continuously by integrating Multiple Intelligences theory into the curriculum from kindergarten up to the secondary level. We believe that if they have been continuously developed, they will discover their true potential which will lead them to learn happily and live contentedly in society.

On this occasion, our school has a great opportunity to hold an Open House Activity at the Primary Department, Soi 20 in order to provide all parents with information on academic courses and to prepare the students for continuation in the new academic year.

**The school would like to invite all parents to attend an Open House on Thursday, November 14<sup>th</sup>, 2013 in the Auditorium, Building 6, 4th floor at the Primary Department (Sathupradit Soi 20) from 9.00 – 11.00 am.
