

For your information

Sarasas Ektra School has to close the exit door 4 and 5 for cars to Soi 28 for at least 90 days starting from 26th January due to construction of a new drainage and storm water pipe system.

Please note cars cannot exit out to Soi 28. We apologize for any inconvenience.

The school would like to notify the street traffic that will exit to the main street in additional:

1. The exit Sathupradit Road: Use the entrance Soi Jun 43 lane off 21 to exit at Soi Sathu 16.
2. The exit Rama 3: Use the entrance Soi Jun 43 lane off 46 pass Phetpaingern Village, and turn left to the street under the expressway exiting to Ratchadaphisek Rd. (Central Rama 3)

Chong Nonsi, Bangkok 10120

23rd January 2015

Topic: Coordination in repairing Sathupradit, Soi 28 from lane off 8-6 all the way to the end of the soi.

To : The Director of Sarasas Ektra School

Yannawa District Office has paid the contract for services to Wiwatpol Engineering Co., Ltd. to repair Sathupradit Soi 28 from lane off 8-6 all the way to the end of the Soi. The date set for completion is within 90 days starting from 13th January 2015 to 12th April 2015.

Yannawa District Office would like to notify you, so that you can avoid using that street. We will work on this project as fast as we can.

For your Acknowledgement

Sincerely Yours,

Mr. Jirasak Pengkul

Assistant to the District Director

Acting Director of Yannawa District

Department of Public Works
