To Parent of Mstr. / Miss.....Primary Year...../.....

Name of Group activity.....

Sarasas Ektra School has fostered student's development in Multiple Intelligences (MI) throughout the past academic year. In Primary Yrs. 4-5, students have studied one MI activity per semester according to their interest. This will help them to choose the MI activity they will study for the whole academic year in Yr. 6.

The Primary Department will set up an MI Academic Fun Fair to exhibit student's work in MI activities from Semester 2. See the results from studying over the past academic year and support your children, as it will be used to support student learning skills in the future. **We are inviting all parents to join the MI Academic Fun Fair from 8 am - 10.30 am at building 6, under building 3, Gym, and Crescent Court 1 (Register at the Auditorium, 4<sup>th</sup> fl., building 6) from the following schedule for each year.**
