## "Christmas Show Magic"

Every year the Christmas Shows just seem to get better and better, and this year the overall standard was very, very good. The English language skills were impressive, and the drama portrayed showed a lot of skill and reflected the hours of practice put in by the students.

Pictured above are scenes from the shows 12A (Moon Love) on the left, 10B (Nathalie) in the center, and 10A (Fake) on the right.

On the left, below, is Panot from the 11B show (The Last Freak Show), and

on the right, two of the many very good MCs who worked to keep the many audiences entertained - Kantima & Akkaraya from 11A.

## "Welcome 2018"

Wishing everyone a very Happy New Year.

Together, let's all make 2018 the most successful year yet - for our students and their families, for our teachers and staff, and, for our school.
