## Christmas Contrast

The many faces of GAC students during the 2019 Christmas shows last December.

Another year of super shows, with all classes showing excellent acting skills and delivering very good speech.

Farewell to Y.12, having just completed their last Ektra Christmas Shows. Now it is all hands in to get every single test and all assessments completed in the next few days.

.....

Mid-Semester exams and the sports carnival coming in the next two weeks - it is going to be a busy time, but with careful time management you will be able to finish everything on time.

## Happy New Year

Very best wishes for 2020 to all the Ektra family.

May the New Year bring health and happiness.

Make a positive start and carry it on through the whole year
