## Sports Came Early

In an extremely challenging and different year, there were more changes with the annual Sports Carnival taking place on Friday 27th November...instead of the regular January slot.

The many faces of our GAC students during the sports competitions. Lots of hard work and effort was seen trying to win wherever it was possible. As always at this level, there were tears of both elation and sadness.

At the end of the day though, it was the day itself which came out on top as it was a very successful occasion for all involved. There will be many wonderful memories for the students to take away...especially those in Y.12 - their final Sports Day.

**Let's all say goodbye to 2020, and leap into 2021.**

**Wishing everyone a very Merry Christmas & a Happy New Year.**

**Stay safe, and stay healthy.**
