Topic Invitation to Attend Multiple Intelligences Day (M.I. Day)

Dear parents of KG.3

We thank all of you for having confidence in school's tutelage and learning activities, which focus on the pupils' development and to prepare them for Primary education. The activities are age appropriate and orgained according to the theory of Multiple Intelligences. We are sure that the activities mentioned will enable our pupils to continue to develop, progress and improve their individual skills. Furthermore, each and every pupil is given the opportunity to develop his or her current set of intelligences and to grow in confidence whilst using them.

We wish to invite you to attend "Multiple Intelligences Day" in order to view KG. 3 pupils' works and accomplishments, which will be held in honour of King Bhumibol who was an exemplary monarch and a fine example of different multiple intelligences. The activities will be held on Friday, February 10, 2017, on the ground floor of Building 1, from 8.30 - 11.00. Parking space will be available at Po Man Temple. A shuttle service will be available to and from Po Man Temple (both ways).

Please be informed accordingly and attend the activities on the date and at the time and place designated. We thank you in advance for your cooperation.

Best Regards,

(Ms.Paweenrat Boonsawat)

Director of the Infant Department
