Subject: Guidance Meeting for Continuing in Senior High School: Years 10 - 12

Respected Parents of Y.9 Students,

Sarasas Ektra School is well aware of how important it is for year 9 students to prepare themselves to continue their studies at senior secondary level in high school, in which numerous options / programs are offered. Therefore, the school administration team will host a meeting to provide parents with the information on the various programs available for Ektra senior secondary students so that parents are clearly informed of academic curriculum. There will also be further information about the pathways to university.
