Sarasas Ektra School

18th November 2019

Subject: Request a copy of the student's vaccination history

Dear Parents of students in yr. 1 – 6 level

The Minister of Public Health has launched a campaign to ensure all children nationwide (aged between the ages of 1 to 12 years of age) have the measles vaccination, to reduce the risk of infection and illness with measles. Therefore, the school requests your cooperation to send a copy of your child/children's vaccination history to their class teacher(s) by Friday 22nd November 2019. This is for the Ministry of Public Health to check and ensure that all children at the school have met the correct criteria.

Please be informed accordingly and thank you in advance for your cooperation.

Kind Regards,

.....
