Sarasas Ektra School

18th November 2019

Subject Students' Field Trip to Science Centre for Education and Bangkok Planetarium

Dear Parents of Year 5 Students

Students are currently or will be learning about the life cycle of stars and the existence of stars during their science courses for semester 2, the academic department and teachers of the science subject group has arranged a field trip on Tuesday 26th November 2019 during 08.00 – 14.00 to the Science Centre for Education and Bangkok Planetarium. During the field trip, students will get a chance to learn more about the Solar System, constellations, science exhibitions visits, and science films. Lunch and vans will be provided for the field trip without any additional charges.

Please be informed accordingly and we hope that you will grant permission for your child to join this field trip.

Kind regards,

(Mrs. Supavadee Chotiwanaporn)

Vice Director of Primary and Secondary Academic Department

Remark Please have your child dressed in school student uniform. Students should be picked and dropped off at the school at the regular times.
