Subject Invitation to the activity “What’s your MI?”

Dear Parents of Year 4 Students

As the school has a policy on developing students' potential based on individual capabilities and proficiency according to Multiple Intelligence (MI) Theory together with developing academic performance and ethics, MI periods are therefore created to be an opportunity for students to do multiple activities based on their capabilities and proficiency. Year 4 students are granted to choose their interested MI starting from semester 2.

The academic department has therefore arranged an activity “What is your MI?” for Year 4 students on Monday 16th – Tuesday 17th November 2020 from 07.30-11.30. In the activity, the students are granted to join multiple MI activity stations so that they could explore what they are interested in before they join the activity group. This year, parents are invited to observe all the activities which your children are joining. Listed below in the table are the schedules of the MI activity arranged.

Date	Year
Mon 16 th Nov 2020	Year 4A-B
Tue 17 th Nov 2020	Year 4C-4D-4E
