1. The Sports Carnival of the kindergarten department is divided into 3 different days to ensure kindergarten students' thorough participation. Events are arranged in the form of competition so that our students are taught in terms of sportsmanship. We encourage students to be economy; therefore, **every student is asked not to produce team colors' apparel. Every student can simply wear any apparel of their team colors, school uniform pants, and sneakers.**
2. **As we are currently staying prepared for the COVID-19 spreading, parents are not permitted to join the Sports Carnival this year to lower risks of disease spreading and infection. The Sports Carnival is an internal activity this year.**
3. **During 26th – 27th November 2020, there will be the Sports Carnival for students in Year 2-12. Students in the year levels mentioned will participate in the activities arranged on the primary campus. Therefore, please be informed that dropping off students in NC. – KG.3 could become inconvenient as much space on the primary campus will be used for sport for the entire day. Hence, parents are kindly asked to drop off students before 08.00 and pick up students after 14.30.**

To be informed accordingly and we apologize for any inconvenience caused.

Kind regards,

(Ms. Paweenrat Boonsawad)
