Subject        Inviting parents to the secondary education guidance meeting

Dear            Parents of students in Year 6

The school wishes to express gratitude for parents' trusts and confidence to the school's education administration and primary student caretaking. Now, your child is passing the primary level to the secondary level in academic year 2021.

To keep parents posted about the curriculum implemented, academic performance development guidelines, extra-curricular activities, pastoral care system, scholarships available for lower secondary students, and **students' individual MI Reports which will be useful for parents**, parents are therefore invited to attend the parent meeting and to collect students' individual MI Reports on Saturday 9<sup>th</sup> January 2021 from 08.30 – 11.00 at the school's Auditorium, 4<sup>th</sup> floor, Building 6. Please note that the registration is from 08.30-09.00.

For the school to prepare the meeting effectively, parents are kindly asked to respond to the acknowledgement form and return it to your child's homeroom teacher within Monday 21<sup>st</sup> December 2020. We gladly look forward to welcoming parents at the meeting.

Kind regards,

(Mrs. Supavadee Chotiwannaporn)

Vice Director of Primary & Secondary Academic Affairs

**Remark:**

1. Car parks are available in front of Building 1, Dominic 1 Building, Dominic 2 Building, and underneath Building 6 on the primary department's campus, Sathupradit 20 Alley.
2. If parents wish to have any outsiders accompanied, please reserve additional seats within Thursday 7<sup>th</sup> January 2021 at the school's administration office.
