NO Gifts or Souvenirs Please!

The Christmas-New Year Break is a long holiday. Parents usually travel and buy gifts to give to each other. Sarasas Ektra School asks parents and students not to give any kind of gifts or souvenirs to teachers or the management. We want to build a culture of equality for all students. Therefore, if parents find that any teachers or management have requested any gifts, please inform the school’s administration offices.

Let’s help reduce pollution and share parking space in school

We would like to thank all parents for cooperating with us in following School’s rules and regulations such as turning off engines to reduce air pollution in school, refraining from using horns and talking on mobile phones whilst driving, driving very carefully, and displaying your child/children’s name(s) on your windscreen. In this Semester 2, Our Infant Department together with the NC.-KG.2 students has moved in to be with the Primary Department at Soi Sathupradit 20. As a result, there have been more motorbikes and cars moving in and out of the school. The parking area is limited and most of you have shown your kindness and cooperation by picking your child/children at the time school actually ends in order to help share parking spaces with other parents or those who need to make contact with the school. This sets a good example for your child/children.

Sarasas Ektra's Christmas Performances 2017

We will soon hold our annual Christmas Festival to commemorate the birth of Jesus Christ. Throughout his life, he displayed love, modesty, humility and help to all people he met. Also, School will have its annual Christmas Performances to share happiness and fun to everyone. The performances will encourage the students to be confident, cohesive, and allow them to showcase their language abilities. Parents are welcomed to watch the show to support their children, and capture memorable moments with them according to the schedule below.
