# Urgent !!! Important Information

In Semester 2, Our Infant Department (Soi Sathupradit 19) together with its NC.-KG.2 students will move to be with the Primary Department at Soi Sathupradit 20.

Parents can look at the school's website (www.ektra.ac.th) for more information and for details about the traffic course / route within the campus at Soi 20. At present the information on the website is the current layout of the school. Before Semester 2 starts, the school's layout and the pick up & drop off spots will be revised. However, the overall traffic course/route within the campus in Semester 2 will remain the same as it is now.

#### After School Classes in Semester 2

After school classes in Semester 2 will start on the first day when school opens, which falls on Monday October 30<sup>th</sup>, 2017. Parents can make a payment for November's after school tuition fees in advance from now on until October 25<sup>th</sup>, 2017 to ensure the seat is held. If paying before the set date, parents will not need to queue to apply again. If the payment is made later than the mentioned date, school reserves the right to let the students on the 'Waiting List' take a late payer's seat.

# Timetable Changes for Semester 2 in Y.4-Y.12

School will slightly alter the timetable for Semester 2 to allow for time to practice for the Christmas shows. The Primary and Secondary Departments will decrease each lesson from 50 minutes to 45 minutes. This will be applicable to Year 4 to 12 only (Year 1 to 3's timetable will remain unchanged). Furthermore, lunchtime will be reduced from 50 minutes to 40 minutes. The accumulated time, in both campuses will be 45 minutes to practice for Christmas shows. The adjustments will last until the end of December 2017. Normal timetables will resume after the New Year.

#### Yearbook 2017

School will start to take class photos and collect information and work from the students to go into the yearbook. For any parents who would like to use the Yearbook to promote your business, please contact the Admin office.

## **Class Photos for the Yearbook**

Please take note of the dates below.

Department	Dates of photo taking.
Infant	6 <sup>th</sup> - 10 <sup>th</sup> November 2017
Primary	13 <sup>th</sup> - 15 <sup>th</sup> November 2017
Secondary	16 <sup>th</sup> - 17 <sup>th</sup> November 2017

Remark: Parents can check in the student's homework book for further information. We kindly request that your children are dressed correctly and, wherever possible, ensure your child attends on the day of their class photo.

# -Leaving Our School -

If parents do not wish for their child to continue in Semester 2/2017, they can submit a request at the admin office by the 30<sup>th</sup> September 2017. Failing to do so will be against the rules and parents will have to pay the amount owing and the Tuition fee for semester 2/2017 in order to receive any school documents. It takes about 5-7 days to prepare the documents.

# **Requesting Visa online**

School provides a service for parents to submit a student visa online (VISA Request Letter) through school website to make it more convenient. Please make sure you submit all information correctly and follow all the instructions. After we receive the information, the school will process it within two working days. However, parents with outstanding fee payments will receive the document within 7 working days. Only after all outstanding fees have been paid may parents collect the visa letter.

## **Asking for school documents**

If parents need any school documents for students, they can submit a request at the admin office. It takes about 5-7 days to prepare the documents after the request is submitted. For parents who still have outstanding fees, these must be settled (paid) before collecting the documents.

(If parents make a payment by cheque, parents will receive the requested document(s) seven working days later after the payment.)

# Using your time wisely during the holidays

School has organised October Camp 2017 and has already given the camp details to the students on Friday September 8<sup>th</sup>, 2017. If interested, parents can contact the administration office from now on. (Please check the available seats of each course with the administration office before applying.) School asks for all parents' cooperation to encourage your children to use their time wisely. Students should be supervised carefully when using online media and if students want to visit a friend's house, parents should ask fellow parents to help monitor their activities. If the school has any activities arranged (at school), a letter will be sent home asking for permission. Please contact the office for confirmed if unsure.

### Let's Showcase the Students' Talents

If any student(s) has participated in any community activities, entered any competitions or done anything that showcases their talents, please send the details of the activity with photo files and/or video clips to admin@ektra.ac.th. School would love to publish the details to the school's website, to show everyone what a great role model and inspiration they have been.
