

Issued Date 14th June 2018

The school is grateful to all the parents of our new Nursery – Y. 11 students and to all the parents of current Y.1, Y.7, and Y. 10 students for joining the parent meeting. We really appreciate your cooperation and support.

For parents who were unable to join the meeting, you might have missed out on some important information from the school. We kindly ask for your cooperation (or send a representative) to join any future meetings school might hold. This is to ensure that you are kept up to date with school news, policies and procedures all of which might be important and useful for developing your child.

Congratulations to the students who received **100 marks** in O-NET exam.

In Ordinary National Educational Test (O-NET), Academic Year 2017.

Be extra careful while driving.

Avoid leaving engines on if parking for a long time.

Always use your indicators / turning signals.

Avoid driving modified vehicles with loud exhaust pipes.

Countercurrent drive and ride is strictly prohibited.

Recommendations while coming to school and going back home

School would like all students to be ready and responsible when coming to school in the morning and when leaving to go home in the afternoon. We would like all our students to learn and practice to be self-disciplined and thus ask for cooperation from our parents to help with this. Please help by following and encouraging the recommendations below.

1. Coming to school in the morning time

- 1.1 Students should be responsible of their own school bags. All notebooks, textbooks, and other materials should be completely prepared prior to leaving home.
- 1.2 Students should check tidiness of their uniform. All materials to be carried to school should be next to them before getting out of their vehicle.

2. Going back home in the afternoon

- 2.1 Students should come down from the building carefully, to meet guardians or school buses according to time and venue appointed.
- 2.2 For guardians of Year 1 – Year 3 students, please put students' name tags in the position that can be clearly seen in cars' frontal part to speed up the process.
- 2.3 Guardians should come to pick students up after the school is over to mitigate traffic congestion and excessive car accumulation within the school's area.

School Van Service

To assist parents regarding the home-and-school commuting of students and to ease traffic congestion within the school's area, it is encouraged that parents use school van service instead of using private cars. For more information, please call 085-111-0260.

Tuition Fee Payment Channel

This year, Sarasas Ektra School has added 2 additional payment methods for educational charges; Visa or Master Card Credit Card and payment arrangement though QR Code for parents' convenience. Please see additional details in the table below.

After-School Tutorial Course

Thank you for your after-school online registration. We apologize for all problems encountered during registration process. This year is our first year of online system implementation. School welcomes all your recommendations for further system improvements.

For students who have not been reserved on a course yet, you can apply for the tutorial course and start your course in July by checking courses' availability, apply, and pay for course charges at administration office. The benefits of taking an after-school course are:

Advantages of taking after-school tutorial at school

1. Students spend their free time usefully and have a chance to develop academic skills and participate in activities of interest.
2. Teachers can follow up, evaluate, and develop students' skills continuously and systematically.
3. Students are under fine caretaking from the school and its teachers in safe and economical environment.
4. Risks caused by other individuals from other institutes are minimized.
5. If your child is taking an individual tutorial with a teacher, your child must be in your close monitoring at all time. Taking after-school course at the school can eliminate your worries.

****Remark** To register your name onto a Waiting List of different courses to be amended in the following month, you can contact administration office via phone call to inform your name, grade, and telephone number. For after-school tutorial courses starting from July, students can continuously join their current courses or switch to other courses which are available by arranging payment or contact for inquiries by the 25th day (in advance before the following month) at administration office.

Special !! New Courses starting in July 2018 open for application at the administration office

1. Art	KG.1-KG.3	(Mon.-Tue.)	Accept	20	Students
2. Dance	Y.1-Y.3	(Mon.-Tue.)	Accept	15	Students
3. Phonics	KG.1	(Mon.-Tue.)	Accept	10	Students
4. Phonics	KG.2	(Wed.-Thu.)	Accept	12	Students
5. Phonics	KG.3	(Wed.-Thu.)	Accept	12	Students

Remarks: The school provides a waiting list for students first then students can register if seats are still available.

Parents can apply or contact the admin office Monday to Friday 6.30 AM – 5.00 PM, Saturday between 8.30 AM – 4.00 PM. Contact numbers: 02-213-0117, 02-2129930-1, 02-212-015

Special!!

Sweet, Fatty, and Fried Food Consumption Reduction Project

This year, Sarasas Ektra initiates a project related to healthy food consumption promotion "Sweet, Fatty, and Fried Food Consumption Reduction, and Vegetable & Fruit Consumption Promotion".

The aim of the project is to promote good health of students and to prevent obesity.

According to the data from Health Data Center (HDC), Ministry of Public Health, it was found that 11.4% of school age children had overweight and obesity problems in 2015, and such percentage increased to 12.5 % in 2016.

School age children with obesity, possess high risk of developing other fatal diseases such as Heart Disease, Hyperlipidemia, Diabetes, Arthritis, Bowlegs, including Attention Deficit Disorder.

For children with severe obesity, negative effects toward respiratory system might be found. The risk of congestion of Carbon Dioxide is possible which results in Pickwickian Syndrome.

Pickwickian Syndrome; drowsiness during class which negatively affects concentration.

aged to reduce sugar in different drinks sold and sell less fried food & chocolate. Additionally, various healthy menus of breakfast are sold during morning time to promote good health. During this period, we have encouraged sellers to avoid selling fried food.

Student health promotion scheme needs cooperation both from school officials and parents regarding the building of right understanding in terms of food selection. It is essential that students choose nutritious food and dine on time, have regular physical activities, and avoid snacking. These disciplines need to be taught and instilled to all students for it to become a positive habit, part of their routine. It will also encourage and promote other areas of a child development (such as academic achievement).

Requesting Visa online

School provides a service for parents to submit a student visa online (VISA Request Letter) through school website to make it more convenient. Please make sure you submit all information correctly and follow all the instructions. After we receive the information, the school will process it within two working days. However, parents with outstanding fee payments will receive the document within 7 working days. Only after all outstanding fees have been paid may parents collect the visa letter.
