

Sarasas Ektra School Students' Personal Accident Insurance for the Academic Year 2021

1. Sarasas Ektra School has provided AIA's personal insurance policies to all students.
2. The insurance policies are in force between 15th May 2021 at 12.00 to 15th May 2022 at 12.00.
(For accidents taking place within the in-force period, allowable time for claims proceeding is extended until 31st May 2022; otherwise claims will be rejected.)
3. For injuries caused by accidents, please visit physicians within **24 hours** regardless of the patient care types (either outpatient or inpatient) in public or private health clinics and hospitals. Treatment must be provided only by Board-certified physicians or surgeons.
4. **Payouts:** The company will issue payments based on **the actual amount of medical charges paid but not greater than the Allowed Amount.**

For coverage limits per accident, please refer to the benefits listed in the table below.

Benefits	<i>Sum Insured (with the insurance card being presented)</i>
1 Loss of life, organs, and vision	100,000.-
2 Permanent disability	100,000.-
3 Murder and assault	100,000.-
4 Allowed Amount	10,000.-

5. Instructions when accidents take place

5.1 If accidents take place on campus, students will be hospitalized to the nearest hospital (Saint Louis Hospital). The upfront payment will be responsible by the school and claims will be proceeded thereafter. *If there is anything outside the insurance's coverage, parents will be informed to arrange the payment to the school.*

5.2 If accidents take place outside campus, parents are kindly asked to handle the upfront payment and process claims at the school's administration offices **within 3 business days excluding Saturday, Sunday, and public holidays.** Listed below are required documents for the claim to proceed.

A. Original medical treatment receipts. Please note that copies are unusable.

B. Original medical certificates. Copies are unusable.

C. The insurance claim document- *the insurance claim file can be downloaded and filed together with the document in items A and B.*

Remarks: 1. The name on the medical certificate and the receipt must match the name on the school record.

2. For follow-up care, claims can be proceeded with at any time. Optionally, claims can be proceeded with once all treatments are over.

6. **Time taken for claims:** After all the documents required for claims are verified, the claims will be sent to the insurer. **Claims normally take approximately 1-2 months.** Once payouts are ready, parents will be contacted to collect the payouts.
7. **Documents required when collecting payouts:** A copy of parent's or student's identification card
