## Top of the World

The number of students who achieve a 4.0 GPA in the GAC is never very high...usually one or two at Ektra and about seven or eight around the world. Our GAC 14 from the last academic year posted five students with a 4.0. From left to right in the picture below Mr. Chulabhat (97%), Miss Emily (94%), Miss Napas (96%), Miss Pingkan (97%) & Mr. Ukkrit (97%). Incredible!!!

## Dusit Thani College

On Friday 23rd June, a group of students visited the Dusit Thani College Culinary Arts Department. Orientation included lots of information on courses and scholarships available. Then the students watched a barista at work before they tried their hand at making the perfect coffee, and the best students received prizes. Later they had another workshop on preparing a 'Creative Spring Roll' before they themselves got cooking. All the students who attended received certificates, and below are Anapach (12B), Zuyi (12A) and Tana (12B) after completing the workshops.
