## Community Service

Recently, our Y.11 students completed their annual community service camp whereby they help out in rural community schools. This year they had a great experience in Chiang Mai. On the right we have Lilli and Mena helping students with their studies. It's a very rewarding activity for the Y.11 girls to be able to share their knowledge and skills with the younger students. There were many other activities, including sports and crafts, and on the right we can see Phattanan spending some happy time with the students at lunch time. There were lots of tears when the Ektra students had to leave after their time in Chiang Mai, but they returned to Bangkok with some very special memories, and that feeling of having done well by giving to some of those a little less fortunate.

## TEDx Talk

Four of our Y.10A students: Jetsada, Warissara, Pawarisa & Witchayada reading through the TEDx topic list to help them with their choice of talk for the first Sarasas TEDx Day next year. This workshop on Tuesday 16th

December was to help them with the initial plan to get them ready to go to work on their own speech topic for the inaugural Sarasas TEDx Day coming soon in February 2026.
