4. Project "The Joy of Giving"

Christmas and New Year are perfect times to teach students the value of giving. The "The Joy of Giving" project invites families to donate toys or unused items in good condition, such as stationery or toys, one item per family, to support underprivileged children along the border through the COERR Foundation. Please bring your donations to the registration point on the day of the school's Christmas performance.

5. The AFR Day: Apology / Forgiveness / Reconciliation Day

The school has had a "Stop Bullying Policy" for many years. The policy aims at nurturing our students so they grow up with pride. Students are instructed to honor, respect and help others. To make outcomes of the policy concrete, AFR Day is arranged during the Christmas season. **AFR stands for Apology, Forgiveness and Reconciliation.**

AFR has a concept that throughout the year, some students may have had disagreements, got downhearted, or had misunderstandings with others. To prevent these negative feelings from getting stuck in our hearts across the year, "Apology" is the first important thing which we need to do. **Anyone who apologises first does not lose honor or becomes guilty, but is humble enough and sees limitations of humans that we all can make mistakes.** The hearts of those who apologise to others are kind and ready to forgive. After apologising, "Forgiveness" is another essential thing that follows. **Those who receive an apology and who can forgive, usually have good hearts. They can see real value and kindness within others.** After apologising and forgiveness, reconciliation is the result. **Reconciliation brings images of nice conversations and laughter among friends. This is a true great blessing that will stay with us forever.**

AFR Day this year will be held on 24th December 2024. It consists of a religious Christmas ceremony and AFR activity which follows after. There will be awards and New Year presents given to students, and there are also various shows performed by teachers and students. On this day, students are allowed to bring food and some snacks to share with friends and teachers in classrooms for a special New Year celebration.

To maintain orderliness, please follow the instructions below.

1. **Please bring proper amounts of food and snacks to avoid leftovers.** It is unnecessary to bring them for the entire class because everyone brings their own food and snacks too. They will be put together in one place before sharing. So, there will be plenty of food and snacks for everyone. Additionally, the school still provides regular lunch for students in NC up to Year 9.
2. If possible, parents can take this opportunity to invite all family members to make some snacks or desserts and share them with your child's classmates. This is a quality moment to strengthen relationships within families.
3. To help reduce waste and to prevent outsiders from entering the campus, **please do not order food from stores and have it delivered to the school.**

Remark

1. Parents can drop off and pick up students according to your child's regular school time (when school ends / when after-school courses end).
2. Students in NC to Year 3 can dress up in colorful outfits. (We encourage students to stay economical, so please do not buy any new clothes.) Students in Year 4 to Year 12 will wear their regular student uniforms
3. The school will be closed from 25th December 2024 to 1st January 2025. Administration offices open on 2nd January 2025.

This academic year, the scheduled performance is titled “The Maestro 2: The Memory Lives On” on 6th-8th February 2025.
